IT and digital games teaching

Higher education instructor in IT and digital games, with experience in online teaching, learning assessment and educational content. Worked on academic coordination at FAM and supported postgraduate coordination at FMU; holds Brazilian master's degrees in professional education and literature.

Experience

IT instructor — Centro Universitário FMU | Jan 2018–Jan 2023

- Taught technology and digital games subjects and prepared educational content for undergraduate and postgraduate courses.
- Taught data collection and exploration, introductory data science and data storytelling in the MBA em Data Science programme (Aug 2019–Jun 2020).
- Supported postgraduate programme coordination through course plans, content review and operational procedures; served as the coordination focal point.

Digital games instructor — Faculdade Impacta de Tecnologia

- Taught Quality and Testing for Digital Games, game development environments and games for mobile devices.

Academic coordination — FAM Online

- Coordinated IT course activities, reviewed course documentation and followed up on teaching with a multidisciplinary team.
- Supported students and mediated issues involving the registrar's office, teaching staff, instructional design and IT teams.

Cybersecurity teaching — Universidade Católica de Pernambuco

- Taught Risk Assessment and Strategy and Governance in Cybersecurity in a postgraduate programme.

Education

Master's degree (Brazilian Mestrado) in Management and Development of Professional Education — Centro Estadual de Educação Tecnológica Paula Souza, Brazil | 2016–2017

Master's degree (Brazilian Mestrado) in Comparative Studies of Portuguese-Language Literatures — Universidade de São Paulo, Brazil | 2019–2023

Postgraduate specialization in Digital Games — Centro Universitário FMU, Brazil | 2015–2016
