Game narrative and bilingual content

Narrative designer and writer with Portuguese–English work on Down Below and Sleeping Dragon. Writes game lore and dialogue and prepares narrative documentation; also has experience in technical translation review and conversational content.

Selected work

Papo com o Abaporu — Tarsila Imersiva | 2019–2020

- Researched and developed conversational content and implemented it with IBM Watson for the Tarsila Imersiva exhibition at Farol Santander.

Olivetti Social app — hackathon project | 2019

- Designed Dialogflow conversations for a WhatsApp chatbot in the Olivetti Social app team project at the Olivetti Cash Register 4.0 hackathon.

Experience

Narrative designer — Down Below | Sep 2021–May 2022

- Wrote game lore in Portuguese and English, developed characters and prepared the whitepaper and game design documentation with the team.
- Produced website and promotional content and contributed to discussions of mechanics, concept art and project direction.

Narrative designer — Vermillion, Sleeping Dragon

- Wrote bilingual lore and dialogue, developed narrative material for the game world and contributed to the pitch bible and game design document.

Technical translation review — Criando Games em 3D | 2020

- Reviewed the Portuguese translation of Building 3D Digital Games for Dummies, published in Brazil by Alta Books as Criando Games em 3D.

Education

Master's degree (Brazilian Mestrado) in Comparative Studies of Portuguese-Language Literatures
— Universidade de São Paulo, Brazil | 2019–2023

Postgraduate specialization in Digital Games — Centro Universitário FMU, Brazil | 2015–2016
