Amanda Britto

Technical Writer · Content Designer (EN/FR/PT)

Montreal, QC · ab.murtinho@hotmail.com · linkedin.com/in/amandareznor · abmurtinho.github.io/amanda-portfolio

PROFILE

Trilingual writer with a Computer Science degree who turns complex material into clear, structured content. Experience writing game design documents, whitepapers and course materials, reviewing technical translations, and designing conversational content (IBM Watson, Dialogflow). Daily work in LQA keeps terminology and consistency sharp. Published author; master's in literature. Based in Montréal.

CORE SKILLS

Writing: technical & instructional docs, GDDs, whitepapers, web copy

Conversational: IBM Watson, Dialogflow flows

Language: EN/FR/PT, terminology & glossaries, translation review

Tools: Jira, Redmine, TestRail, Google Workspace; CS background

EXPERIENCE

Brazilian Portuguese LQA Tester / Functional Game QA — GlobalStep · Montréal — May 2025–present

- Review translated game text for accuracy, context, tone and terminology; maintain glossaries and localization databases.
- Log, track and verify defects in Jira, Redmine, TestRail and Google Sheets; run functional, regression and ad hoc tests on mobile, PC and console.
- Credited on Football Manager 26; titles for clients incl. SEGA, Sports Interactive and Kabam.

Narrative Designer — Down Below — Sep 2021–May 2022

- Wrote game lore in Portuguese and English; co-authored the whitepaper and game design documentation.
- Produced website and promotional content.

Narrative Designer — Sleeping Dragon — Vermillion — Mar 2020–present

- Write bilingual (PT/EN) lore and dialogue; contributed to the pitch bible and game design document.

Technical Translation Reviewer (freelance) — Alta Books — Criando Games em 3D — 2020

- Technical review of the Portuguese translation of Building 3D Digital Games for Dummies.

Educational Content Writer (freelance) — VG Educacional — Oct 2019–Mar 2023

- Wrote and reviewed e-books, lesson scripts, activities, question banks and teaching plans for higher education.
- Covered IT, data science, digital games, design, marketing and communication.

University Instructor (hybrid); IT Program Coordinator, FAM Online (Sep 2021–Feb 2022) — FAM · São Paulo — Aug 2020–Dec 2024

- Coordinated online IT programs with a multidisciplinary team; reviewed course documentation and followed up on teaching quality.
- Mediated between students, registrar, faculty, instructional design and IT teams.
- Designed and delivered online classes and activities; monitored learning and reviewed course content.

Data Analyst (self-employed) — TELUS Digital · remote — May 2026–present

- Assess data quality for map-based search queries; validate geospatial information for accuracy and consistency.
- Identify and document discrepancies, using web research to confirm the relevance and reliability of results.
- Apply detailed evaluation guidelines consistently.
